Inbox

9:32 AM (9 hours ago)

to me, Media

Good morning David,

For the total population by CSD in Canada, please see attached.

The analyst was wondering if you required the data by age and sex as well, for La Ronge, Sask; Charlotte County, NB; Vaudreuil-Soulange, Que.; Arichat, NS; Cheticamp, NS and Clarence-Rockland, Ont? If so, they will need to extract them and give it to you later this morning .

Please confirm.

Thank you,
